

NEWS LETTER

Wheatherstone Property Owners Association

January 1990

The Association has ended up the year 1989 with very few unexpected expenses. The landscaping company that was engaged this year is doing a generally satisfactory job and we foresee that they will be able to match Steve in the quality of their work before too long. In the meantime, if you have any complaints or suggestions, please contact Darlene McGrew, not the landscape personnel.

Our maintenance chairman, Ray Post, has resigned and Travis Owens in #94 Wheatherstone Place has been appointed by the board to take over maintenance duties. His telephone number is 635-8136. Call Travis if you are experiencing any maintenance problems.

We urge all those who drive too fast through the complex to please slow down - there are children in the area!

Don't forget -- you are all invited to board meetings which are generally held at the Mt. Park Rec Center Library the 4th Thursday of every month at 7:30 p.m.

We wish you all a happy and prosperous New Year!

Wheatherstone Board of Directors
